Celebration Evening

On Wednesday evening, Carshalton Boys, in the presence of the Mayor of Sutton, hosted its annual Celebration Evening where we celebrated the hard work and success of our students. The café and main hall were transformed and guests walked the red carpet on their arrival, giving the evening a sense of glamour. It was fantastic to see so many parents and students dressed up for the occasion. Throughout the evening, the audience were also treated to a performance by the year 10 drama students and a media film. As you can see, from the pictures above, a good time was had by all. A huge thank you to all involved for ensuring the evening was such a success.

Dance Battle club: London Youth Games Comp

CBSC IS ENTERING THE LONDON VIRTUAL DANCE COMPETITION!!!

Balfour Beatty LONDON youth games SPORT ENGLAND

IF WE WIN WE PERFORM AT THE COPPER BOX AT THE OLYMPIC PARK!!!!

Open door to W03 every Monday lunchtime.
Any Q's find Ms Clarke in W03

We are hoping to get a group together to enter into the virtual dance competition as part of the London Youth Games. If our entry is successful and wins the Sutton KS3 comp, we get to represent Sutton at the big comp in March and the Copper Box at the Olympic Park – Exciting stuff. Many thanks for everyone's support in promoting and supporting this exciting student opportunity.

Year 10 Drama Performance

This week our Y10 GCSE Drama students have performed a piece of physical theatre which explores success at both Celebration Evening and in the lower school assembly. Central to the performance was the idea that action is the corner stone of success.

Design and Technology 2016 Trip to Munich

On Monday the 11th of July, 48 Year 9 and Year 10 Design and Technology students and 5 members of staff met for the first DT residential trip in at least 14 years! We met at London Gatwick Airport at 4am to embark on 3 days of discovery and learning all things DT! As soon as we arrived we dumped our bags and left for the city centre to visit Munich's Deutsches Museum. On our way we had our first experience on Munich's public transport system. We then continued on with our visit to the Deutsches Museum followed by a visit to Marienplatz (city centre). We ended the day by taking all the boys to the Hard Rock Cafe. On the second day we had time to explore Marienplatz in more detail then we made our way to the 1972 Olympic park, and the heavens opened. We then went to the BMW museum which the boys loved. The tour guides were very complimentary of our boys and said they were excellent (despite being exhausted and been on their feet all day). We ended the second day with a traditional hearty meal at the infamous 500 year old Hofbrauhaus where the boys witnessed some live Bavarian folk music, men dancing in lederhosen and a rather alarming percussion performance using a cattle whip!

On the third day we started early, and made our way to the Audi Ingolstadt Museum where we learnt about the history of Audi starting from the late 1800's. After a final visit to the city centre for the last minute shopping, we made our way to the Allianz Stadium – home of Bayern Munich FC – a highlight for most of the boys! An exceptional way to end the trip. We would like to thank everyone who helped make this trip happen – particularly the finance, cover and trips teams. All students and staff thoroughly enjoyed themselves and we look forward to the next one! – **The Design and Technology Department**
