Year 9 Music Concert

On Wednesday after school the year 9 GCSE music class performed their solo and group pieces to their parents and family members. The students had been working on these pieces for the last term and every single one of them gave fantastic performance despite several of them suffering from stage fright!

All of the parents and staff who attended commented on the high standard of the performances as well as the enthusiasm and professionalism of the students who took part.

I was also lucky enough to have technical support from Rhys Crane (lighting) and the 3 music Teach First students Peter, Thalia and Florence (Sound and Equipment) so a big thanks to them!

Quote from an audience member:

"I so enjoyed the concert last night. Observing the students taking so seriously their performance on stage either solo or as a group (band and class) in so many genres on a wide variety of instruments was fantastically daring and successful "

Year 9 Rewards Trip

The thunderstorms & rain held off for a glorious day at Thorpe Park. It was pretty busy with other school groups, so the queues were long at times. The students had a great day & enjoyed as many rollercoasters as they could handle, including soaking me on tidal wave!

Jack Acres managed to win a colossal sized toy in the arcade! The boys were wonderfully behaved.

:)

Lauren, Shepps, Danny & Aaron

Art Taster Sessions

As part of the year 11 taster sessions, the Art department ran a portrait workshop where the students got to draw and paint from a live model. This gives them a good insight into the type of work they will be doing in year 12, and they found it a challenge but the work was really successful. Thank you to Daniele for being a fantastic model.

Y9 art trip

Year 9 went on an Art Trip to see the Summer Exhibition at the Royal Academy.

Architecture Workshop

Y10 pupils taking part in an architecture workshop run by graduates from the University of the Creative Arts, London.

Y10 DRAMA SHOWCASE TODAY P5

A number of Y10 students will be performing their devised Drama exam work to Y7 today during P5. This will take place in the sports hall at 1.45pm. Please do drop by if you are free. The overarching theme of the work is 'Abuses of Power'.

Year 8 Geography

Since completing their exams year 8 geographers have been working on a microclimate enquiry.

They have visited different sites around the school measuring temperature, wind speed, wind direction & cloud cover, using super clever digital anemometers!

They have certainly learnt that holding any of the equipment too close to your body will not give accurate readings & following instructions very clearly to hold equipment at arm's length!

Some groups are still yet to collect data, so look out for them around the school site next week!

History Department Trip to Berlin

Next week the History Department will be taking 33 Y10 students to Berlin between Monday 10th and Thursday 13th July. The full list of students is below. They will return to school on Friday from p.3 onwards.

Apologies for the disruption this causes to your lessons. Boys have been told they must check SMH and/or with their teachers for any work they may miss. If there is anything you'd like me to pass on directly please send to me by 3pm today.

A massive thank you to the Trips Team for their efficiency in enabling the trip to take place, and also to Paul, Charlotte and Sarah Shepherd for agreeing to give up their evenings and accompany the boys to Germany.

Danke Schoen,

Dan
