Directions & Destinations 2017

The annual Directions & Destinations event was a resounding success again this year! Thank you to all departments and staff who contributed to the running and preparation of the event.

It was lovely to see so many of our students engaging with institutions and employers and utilising the opportunity to inform future choices.

There has been so much lovely feedback from our exhibitors and presenters. It's great to see recognition for our Year 13 Leaders who represent themselves and the school so well each year.

"As someone who has attended your event for a number of years now, I just wanted to put on records what an absolute pleasure it always is to take part.

Every other exhibitor with whom I spoke shared my view that the way in which your school looks after us all is second to none. Not only the delicious breakfast and lunch (!!), but also the excellent help and support provided by the business-like, smart and confident 6th Formers (and the staff too of course)

But in addition, the students across the other year groups are an absolute credit to the school. Those that attended my workshop (including Yr 9, Yr 10 and Yr 12) were all polite, attentive and interested; they raised good questions and thanked me at the end. The masses of students who visited our stands were all polite, engaged and impeccably behaved. It's clear there is a fantastic ethos at the school.

If I had similar experiences at the many other schools I visit, I have no doubt my school liaison role would be the envy of everyone in the college!! Unfortunately, it's not the case!

With thanks again Sharon – looking forward to getting the date in for next year!"

Again, thank you all for your work and support in making D&D successful.

UCAS convention Tuesday 14th March 2017

On Tuesday I had the pleasure of taking 57 year 12 students to the University of Surrey Sports Park for the UCAS convention. This is an amazing event where all universities are represented and gives the students a chance to talk to representatives from any institutions. Our students were extremely well prepared with questions and already had done some research before they went so they could really focus on the appropriate stands. They came away with lots of prospectus, pens and other goodies but mostly they came away motivated and focused on their educational goals. A very successful event.

Year 11 Geography Revision Sessions

This week saw the 1st of our additional sessions for our year 11 geographers.

Our 1st session was on Tuesday lunchtime with our 'Working Hard in Geography' group. The year 11 students were paired with year 12/13s who were successful at GCSE geography and they worked on coasts revision. They all produced revision cards to aid their independent revision.

Our 2nd session was Wednesday morning before school with our 'Aiming High in Geography' group. The students were fuelled with pastries and tackled several 8 mark questions on Changing Urban Environments.

A successful and productive start to our additional sessions J

Youth Art Exhibition

We have a selection of Year 10 and 11 landscape paintings on display at Sutton Library until March 26th.

The exhibition celebrates work by each of the Sutton secondary schools. I hope you can make it along. Thank you

Russian Classes

On Monday, Luke taught Russian classes at Brandon Hill Primary School to two year 4 classes. The children learnt about the longest railway in the world, how to introduce themselves and everyone had a go at writing their name in the Cyrillic alphabet. This marks the start of several language classes as Luke will be Russian back to teach French next week.

GCSE Practical Exams

GCSE Drama practical exams take place in the last week of this term.

Below is a schedule of when Y11 Drama students will be absent from your lessons because they are either involved in technical runs or being examined.

Apologies in advance for any disruption to your lessons.
