## Battlefields Trip

Last week 41 Y9s attended the annual Battlefields Trip. We are pleased to report that, for the first time in three years, it didn't rain once, ensuring that Trench-Mud-Foot was at a minimal level. The lads were absolutely brilliant and did themselves proud. They were actively engaged throughout. At one point they were asked to quieten down by the staff in the Flanders Field Museum because they were discussing the work so passionately! On our tour of Theipval Wood trenches, the tour guide even commented how much he enjoyed our group due to the engaging questions that were asked. A massive thank you to Julie, Charlotte, Becky and Lorraine for giving up their evenings. Also thank you to the Trips Team for their efficient handling of the paperwork and to all staff who covered lessons whilst we were away.

## England Rugby League Training Session Trip

Fifteen boys were selected to attend an England Rugby League exclusive training session on Monday. The boys had a fantastic time watching how elite rugby players perform during a training session. The boys were fantastic role models for the school throughout the day and also managed to get several players photos and autographs

## A Level Art and Photography trip

The Year 12 and 13 art and photography students visited the William Eggleston photography exhibition at the National Portrait Gallery then the National Gallery to see a Rembrandt self portrait as they have been studying Rembrandt lighting. We then went to the Woolf Gallery to see our artist in residence Jack Tanner's work in an annual exhibition called Ffound in which the artists have created works made from found or re-purposed objects and materials. As always the pupils were great on the trip and enjoyed the experience of being in central London. When we got to Trafalgar Square one pupil said "is that Buckingham place?" and in the NPG another student said "that's the lady on the money!" when viewing a portrait of the Queen. Love our boys. Ffound is on until October 28<sup>th</sup> at Woolf Gallery, Charlotte St.

## Dance

Dance at CBSC has had an exciting first half term! Dance in lesson has been of a high standard and the boys' creativity is really coming through in the work they create. "Buggy" is jam packed with movement sequences and will be a great platform to showcase some of the work that has been happening in dance. Our Dance Battle club is also going well and our entry into the London Youth Games Dance Competition is coming along nicely in time for the Dec entry deadline. All in all – an exciting Autumn 1 half term!

## Badminton Young Officials Award

This Wednesday six of the Sutton Supremo's took part in their first NGB course. The NGB course was the Badminton Young Officials Award.

The boys did fantastic they helped the course tutor set up for the course, prior to other participants turning up. Additionally they supported other students from schools across the borough throughout the course. The boys shall be showcasing their skills at tournaments across the borough over coming weeks!

Please congratulate the boys, if you see them around school:
