Uniform Purchases

For **all** uniform purchases we now **operate an appointment system**. Please email uniform@carshaltonboys.org with your suggested date and time & we will be able to book an appointment for you. An appointment must be made to collect uniform that you have ordered online via WisePay. Appointments are available at the following times:

Monday 20th June until Thursday 14th July - 2.45pm-3.45pm

Saturday 9th July – 9am – 1pm (limited availability left)

Monday – Thursdays throughout the summer holidays between 10am-2pm.

Please note the **last appointment date is 25th August**. This is to ensure that your child has the correct uniform to start the new term in September. After this date any uniform you wish to purchase must be ordered via our on line payment system, Wise Pay. These items will be available for collection from the school shop 48 hours after purchase, between the hours of **8-8.30am in term time only**

On Thursday 30th June there will be an 8pm service at Westminster abbey to mark 100 years since start of the Battle of the Somme. At end of service (which is being attended by the Queen and broadcast on BB2) Sam Whiting will form part of the first vigil around the Tomb on the Unknown Warrior. He is representing the young people of the United Kingdom. Once the initial service is over, Westminster Abbey will be holding vigils throughout the night. At 10.45pm, Jack Butcher and Julie are giving a reading. The event is open to the public so would be lovely if any staff/ students/parents wanted to attend.

Year 13 Fine Art and Photography End of Year Exhibition

This year the exhibition is year 13 only due to the new 2 year A Level program. The 5 fine art pupils and 8 photography pupils have produced a staggering array of highly creative and thought provoking work using a diverse range of materials. A number of pieces have been bought by the school and will be on permanent display in the new term. Lauren

Year 7 Science Revision

It was great to see so many Year 7 boys attending extra revision classes this week in preparation for their end of year science test. They showed great enthusiasm and commitment to their studies, which was fantastic to see!

Y10 Handball Team at the London Youth Games

Following on from the success of winning the national title a couple of weeks ago the boys spent another busy weekend at the Copperbox Arena at the Olympic Park trying to become the first school team to represent Sutton and win the LYG. They were up against it from the beginning playing against boroughs who had representatives from several different schools but that didn't deter the focus and concentration of the team. Drawn in a particularly tough group they set about their business beating Kingston 3-1 and Barnet 9-3. They then suffered their first defeat against Havering 5-4 but having been 4-0 down almost managed to pull it back. The boys pulled themselves together again recording comfortable victories over Newham and Lambeth to qualify for the quarter-finals. At this stage they met Bromley and put in a magnificent all round performance to win 4-0 and play eventual winners Ealing in the semi-final. Being tipped as whoever won this game would win the tournament was correct and our boys went down 3-2 after extra time in very controversial circumstances. Players from Ealing had put resin on the ball to increase their grip (a tactic only used at U18 and above) but being magnanimous in defeat the lads shook hands and wished them all the best. I fantastic performance and a big thanks to Paul Avery and coach Roel Pedanik who helped on the day.
