

Crystal Palace Football Academy

The Crystal Palace Football Academy offers a unique programme for talented footballers to train at an advanced level with Crystal Palace FC qualified coaches whilst following a full academic programme at Carshalton Boys Sports College.

The programme has been designed to provide an exciting opportunity for students interested in a career in sport to acquire and develop a wide range of skills and experiences needed to perform at the highest level. The Crystal Palace Football Academy programme will develop knowledge, understanding and performance in the following key areas:

- Technical Skill Development
- Tactical Awareness
- Physical Conditioning
- Preparation for Performance
- Coaching
- Applying the laws of the game
- Lifestyle management
- Planning and managing your sporting career

The team will compete in the English Colleges Football Association (ECFA) League and play against other colleges who are connected to professional football clubs. Players will be offered the opportunity to develop their coaching and officiating qualifications during the programme.

First trials will be on Monday 28th November 2016 4pm - 6pm .
